July 2018

Dear Parents and Students,

On behalf of Highland High School, I am happy to welcome you to the 2018-19 school year! We are looking forward to a productive partnership with you to ensure that our students can achieve their highest potential. We recognize that, in order to be successful in school, our students need support from both home and school. We know a strong relationship with you will make a great difference in your child's education. As partners, we share the responsibility for our students' success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he or she:

- Attends school daily and arrives to all classes on time ready to own their learning
- Completes all homework and classwork assigned
- Reads daily to develop and improve literacy skills
- Talks to you about the day and shares experiences from school
- Informs you about any need for additional support in any particular subject area
- Knows what you expect

Academically, we believe in what we call the four C's of education. We want our students to be good: **C**ollaborators, **C**ommunicators, **C**ritical thinkers, and **C**reative individuals. Our hard working staff has invested in countless professional development hours to ensure our students get the best experience possible in the classroom. We believe that if our students graduate from HHS possessing the qualities of the four C's, they will be prepared for any further education or careers they choose to pursue.

We can't do it all alone, however. Please consider joining our school volunteer program and/or supporting any of a number of clubs and activities we have on campus after school. For those roles that require parents to obtain clearance, please speak with office staff here at Highland. We would like to help you with the cost associated with that process.

We are constantly trying to improve our communication and have been using a phone app to connect you to all information about Highland. You will be able to access PowerSchool info, the school website, receive notifications, and so much more. The app is called **AV High School District**, and can be found in the Apple App Store or on Google Play. Both links are on our website near the bottom left of our home page. Please make sure your phone numbers and emails are up to date in our system so you and your family can take advantage of this free service.

Again, we are excited about this upcoming year, and we look forward to working with and supporting your children as they continue to work toward their goals and dreams. We try our best to provide many opportunities for our students. Please make sure your children get involved in some of the various clubs, activities, sports, and other programs that we offer here at Highland. Thanks, in advance, for all your support. We look forward to working with you!

Cheers,

Chris Grado, Ed.D.

HIGHLAND HIGH SCHOOL: MISSION STATEMENT

Highland High School will empower students to use knowledge, skills, and strategies to become productive members of society who use higher-level thinking.

HIGHLAND HIGH SCHOOL: VISION STATEMENT

Highland High School students will own their learning.

The transition from traditional education to facilitated education is the transition from consumers of knowledge to producers of knowledge. Producers of knowledge use many different modalities as they work collaboratively with both teachers and peers to comprehend and synthesize information to answer real world questions. As students develop their ability to use technology effectively through research, collaboration, networking, and individualized study, they will develop powerful skills that will facilitate the communication and execution of their ideas. In effect, today's students will become tomorrow's critical and creative problem solvers that are prepared to shape the future of our world.

HIGHLAND HIGH SCHOOL: STUDENT LEARNING OUTCOMES (SLO's)

- 1) Students will be exposed to interactive and facilitated classrooms with performance task activities and assessments to promote "owning their learning".
- 2) Highland High School students will be critical and independent thinkers (as evidenced by a variety of multiple assessments) that apply knowledge through:
 - a) Recognizing problems and formulating appropriate solutions
 - b) Demonstrating usage of higher order thinking skills
 - c) Using logic to solve problems
- 3) Students will use technology to perform research in multiple rigorous and relevant classroom settings and determine which information is relevant and reputable.
- 4) At least 55 percent of all diploma track students will complete a college readiness exam HSD, e.g. PSAT, SAT, ACT, AP, IB, AVC College Assessment.

ATHLETIC CLEARANCE

Students involved in athletics must be registered to attend Highland and cleared prior to any participation. Athletes must have a current physical exam, a minimum 2.0 grade point average, not more than two unsatisfactory marks in citizenship, and complete a verification of insurance. This information is all part of the athletic packet/folder. Athletic packets may be obtained from the Athletics Office and should be returned when completed in blue or black ink. Call the Athletics office **extension 370 (Athletic Director)** or extension 391 (Athletics Secretary) if more information is needed.

ATTENDANCE AND DISCIPLINE

Attendance Information: Board Policy 5113, Absences and Excuses. Parents may clear absences by phone or note. There is a 3-day window from the date of the absence in which parents may clear absences. After the 3-day window, a doctor’s note will be required to clear absences. Students may opt to attend Saturday School for a minimum of four hours to clear an all day absence that has not been cleared by a viable excuse. Students may attend Saturday School voluntarily up to five times per semester.

Tardy Policy: Highland High School recognizes its responsibility to ensure that students attend class regularly and on time, as attendance plays an important role in student achievement.

Tardiness is a failure to appear on time and is considered a form of absence. It is the student’s responsibility to be in the classroom and ready to work before the tardy bell rings. Such common problems as oversleeping and repeated occurrences of car trouble are unacceptable reasons for tardiness to school and are considered unexcused tardies/absences. Tardies are counted cumulatively and across classes.

Habitual tardiness is considered a form of truancy, and Education Code 48260 provides that legal action may be taken against a student and/or parent for truancy.

Failure to appear for a Saturday School will result in the assignment of one day In-House Suspension.

Disciplinary Procedure Philosophy - The Board of Education has the responsibility to see that an appropriate educational program is available to each student in our schools. Rules and regulations are established to ensure a proper climate in which students may pursue their studies. School personnel have been charged by the Board to carry out these rules in a friendly, firm and fair manner and to safeguard each student's right to the finest education we can provide. The Board further feels that good discipline is a shared responsibility. Students, parents, teachers, and administrators all share in this endeavor and responsibility. At anytime, students may be disciplined and/or counseled by teachers, administrators or other staff members regarding their behavior and/or referred to other authorities in special circumstances.

- **Academic Probation** – 9th and 10th grade students who are behind in credits during the school year are required to make up core classes through Supplemental Instruction and may be placed on academic probation. For more information, please contact your guidance counselor or vice principal.
- **Alternative Programs** - Highland offers a wide variety of alternative programs to meet the needs of students who have severe health, academic, behavioral or attendance problems, are behind in credits, or pregnant. In addition, these non-traditional programs offer options that may better meet the needs of students or their families as they pursue a high school education. A guidance counselor or vice principal can assist you in pursuing these options.
- **Discipline & Dress Code** – Please review the school’s discipline and dress code policy with your student. We ask the cooperation of all parents to ensure that students adhere to these policies. A copy of the school dress code is provided with this newsletter to assist

you in purchasing appropriate attire.

- **Expulsion From School** – The Antelope Valley Union High School District operates on a Zero Tolerance policy towards weapons, drugs, graffiti, hate crimes, and sexual harassment. Students who are involved in any of the above are subject to suspension or expulsion from school as per California Education Codes 48900 and 48915. If you would like a copy of this code, please call our security office. Copies of these violations are posted in each classroom. You can access the **California Education Code** on the internet at www.leginfo.ca.gov.

HIGHLAND ALMA MATER

Loyal to Highland High, alma mater true.

Guide of our dreams and the deeds we do.

We sing thy praises from the mountains to the sea.

Hearing the echoes of our laughter and our tears,

We will remember these our golden years.

Always for your lessons, grateful we will be.

Highland alma mater, hail to thee!
